COMMISSIONER FOR PATENTS
WASHINGTON, D.C. 20231

Request for Corrected Filing Receipt

Sir:

On March 7, 2002, the Applicants submitted to the U.S. Patent and Trademark Office (PTO) two (2) different copies of Declaration and Power of Attorney papers for the above-identified patent application. One declaration contained all inventors' names and signatures and the other was a supplemental declaration with the correct spelling of inventor Harry Philip Walton, III's, name.

The Applicants recently received the filing receipt from the PTO mailed April 26, 2002, with an incorrect spelling of this inventor's name. Thus, the Applicants re-submit the attached supplemental declaration with the correct spelling of the Inventor's name and request a corrected filing receipt indicating this change. All of the other inventors should remain on the filing receipt as is.

Respectfully submitted,

Jin Yang, et al.
